NISRINA SATYANINGRUM

Executive Assistant & Language Professional

Semarang, Indonesia | +62 877 2015 1076 | nisrinasatya16@gmail.com | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Bilingual EN/ID localization professional (IELTS 7.5) with experience managing end-to-end localization workflows — from translation and vendor coordination to QA and delivery. Reduced turnaround time by 60% and costs by 30% through process improvements. Hands-on experience with SDL Trados, Asana, and cross-functional team coordination across global remote environments.

KEY SKILLS

Localization & Translation: EN>ID Translation, Localization Project Coordination, Vendor Management, Terminology Management, SDL Trados, Phrase, Linguistic QA, Subtitling (CaptionHub)

Project & Admin Tools: Asana, Microsoft 365, Google Workspace, Slack, Apollo, AI productivity tools

PROFESSIONAL EXPERIENCE

OCEO Functional Area Enablement Specialist
The KPI Institute · Melbourne, AU · Remote *Jun 2025 – Present*

- Coordinated workflows and tracked deliverables across 10+ business entities and 400+ remote employees across APAC and EMEA
- Managed 20+ external vendor relationships end-to-end — documentation, task allocation, and follow-up — for company expansion into Saudi Arabia
- Designed a centralized task tracking system and prepared weekly reports, meeting minutes, and action item documentation
- Managed LinkedIn outreach pipeline reaching 1,000+ prospects for executive-level business development campaigns
- Coordinated full-cycle recruitment from interview design through CEO-level decision alignment
- Supported C-suite calendar management, email prioritization, and international travel logistics

English to Indonesian In-House Translator
Life Management Science Labs (subsidiary of The KPI Institute) · Remote *Dec 2023 – Jun 2025*

- Managed full localization project lifecycle for 12 course series — briefing through translation, QA, and delivery
- Performed EN>ID translation across course materials, website content, and marketing assets while concurrently overseeing vendor coordination
- Coordinated external language vendors end-to-end: selection, task allocation, progress tracking, and linguistic QA
- Implemented workflow improvements that cut turnaround time by 60% and reduced costs by 30%
- Maintained terminology databases and translation memories in SDL Trados; collaborated with product and creative teams via Asana and Microsoft 365

English to Indonesian Translator
PT STAR Software Indonesia · Remote · Freelance *Apr 2021 – Apr 2023*

- Translated and post-edited 35,000+ words of technical documentation for a cloud computing platform using SDL Trados and Phrase

Indonesian to English Subtitler
TUJJU Media · Remote · Freelance *Jan 2023 – Apr 2023*

- Produced accurate English subtitles for Indonesian TV episodes (25–45 min each) under tight broadcast deadlines

English–Indonesian Transcriptionist & Subtitler (Visit My Profile)
TED Translators · Remote · Volunteering *Sep 2022 – Present*

- Subtitled and transcribed TED-Ed videos into Indonesian via CaptionHub; work reviewed and published on the official TED platform
